

SuccessMaker at Home

Thank you for enrolling* your child in the *SuccessMaker at Home* program. Included with this information packet, you'll find a *SuccessMaker at Home* kit (Home Access Courseware Setup CD v1.6, *SuccessMaker* Courseware DVD, and Quick Reference Guide for Home Users). You are registered as a parent user and now have access to view and print reports for your children as specified on your order form.

Your child has been assigned different programs within the *SuccessMaker* program based on grade level and teacher recommendation. The main courses being utilized are *Reading Readiness (K)*, *Initial Reading (1-2)*, *Reader's Workshop (2-5)*, and *Math Concepts and Skills (K-8)*. In these foundation courses, the program monitors each student's performance and selects appropriate instructional activities to fit the student's needs. Additional programs may be available within *SuccessMaker* as well, depending on the student's grade level and ability. Your child's use of the *SuccessMaker at Home* program will support the activities they do at school and help support their acquisition of grade level AKS.

Please read and follow the attached directions carefully to install and setup the *SuccessMaker at Home* program. You will need to use the Home Access Courseware Setup CD to install the program first and then you will be able to access and use the *SuccessMaker at Home* website. You will also find directions for student use and parent use, along with *SuccessMaker* course descriptions. Should you encounter problems or have questions about installation or use of the program, please feel free to contact me. Your unique parent and student logins and passwords are provided below.

Happy Learning!
